2. Nothing contained herein shall be deemed an admission of liability by any party. The parties are entering into this settlement to avoid the inconvenience and expense of further litigation.

3. In exchange for the foregoing settlement, Funds release Company from all liability arising out of the January 1, 2008 through December 31, 2010 benefit contribution audit (however Funds do not release Company and Company's owner from

4. The parties further agree and request this Court to dismiss this matter without prejudice with this Court retaining jurisdiction to enforce the terms of the Settlement Agreement through May 17, 2012. Absent a timely motion, said dismissal will be with prejudice on May 18, 2012.

Respectfully submitted,
